

Our business is backed by electricity generated from renewable sources

We certify that ESKIMO ICE LIMITED

Has 100% of its electricity backed by UK REGOs or European GoOs, from a blend of sources including hydro, wind, solar, biomass and landfill gas.

01/12/2022 - 30/11/2025

A handwritten signature in black ink, appearing to read 'Matt Nunn'.

Matt Nunn
Director of EDF Business Solutions

All source certification meets GHG Protocol Scope 2 Guidance Quality Criteria. This is not a REGO certificate. REGO certificates are held by energy suppliers for Fuel Mix Disclosure. The zero carbon electricity that we buy for Zero Carbon or Renewable tariffs and products is supplied into the National Grid. Customers receive that electricity through the National Grid, not directly from zero carbon generators.

Renewable for Business
